Small but crucial point... if you need to print from you browser, stuff like Boarding Passes, receipts etc., dont bother with Opera. Its hopeless.....

Why do you say that? I'm using a different dot-pet, but printing works just fine for me from Opera.

Why do you say that? I'm using a different dot-pet, but printing works just fine for me from Opera.

Here is a typical sample:

So what is that about then!

Mostly Quirky and the brilliant Lucid 5.1.1 Frugal HD and USB  
Root forever!
